
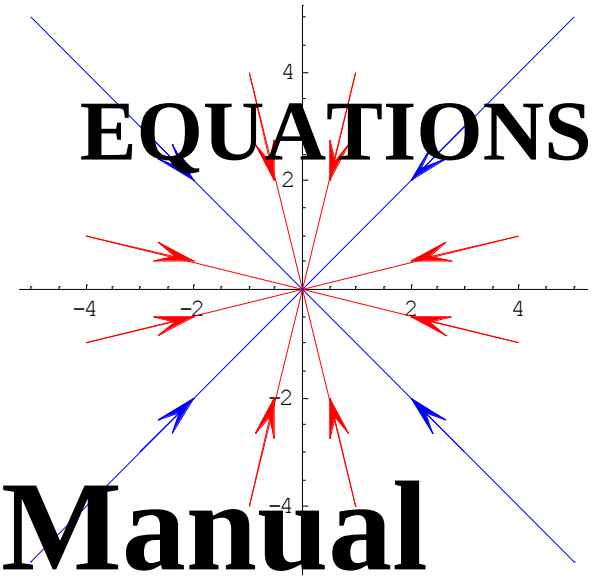
DIFFERENTIAL EQUATIONS



Solution Manual

Volume 1

Lecture R & 1

By: **Fred Khoury**

Lecture R – Introduction to Differential Equations

Section R.1 – Derivative ……1

Section R.2 – Integration ……18

Lecture 1 – First-Order Equations

Section 1.1 – Differential Equations and Solutions …… 33

Section 1.2 – Solutions to Separable Equations …….... 41

Section 1.3 – Models of Motion …… 101

Section 1.4 – Linear Equations …… 159

Section 1.5 – Mixing Problems …… 247

Section 1.6 – Exact Differential Equations …… 295

Section 1.7 – Modelling Population Growth …… 383

Section 1.8 – Basic Electrical Circuit …… 406

Section 1.9 – Existence and Uniqueness of Solutions …… 432

Section 1.10 – Autonomous Equations and Stability …… 440
